ABOUT US

Arabian Rubber Company was established in 2010 in Saudi Arabia to provide high-quality resilient sports flooring, safety rubber tiles, gym mats, cow mats, horse stable mats, artificial grass, and crumb rubber. In addition, we specialize in the installation of artificial football pitches, natural grass, and comprehensive landscaping solutions. We have successfully penetrated the market by executing high-scale projects.

Arabian Rubber Company strives to provide top-notch technical expertise, exceptional product quality, and comprehensive customer service to its prestigious clients. All our products are tested for reliability, certified by the world's top agencies, and produced under the supervision of experienced employees.

MISSION

Our vision at Arabian Rubber Company is to be the premier provider of innovative and sustainable solutions in sports flooring, playgrounds, and landscaping. We aim to transform communities by creating state-of-the-art recreational and green spaces that inspire active lifestyles and environmental stewardship. Through our commitment to quality, safety, and continuous improvement, we strive to set new standards in the industry, fostering a healthier, more vibrant, and sustainable future for generations to come.

VISION

At Arabian Rubber Company, our mission is to deliver exceptional quality in the supply and installation of synthetic sports flooring, children's playgrounds, artificial football pitches, and natural grass landscaping. We are dedicated to enhancing community spaces with innovative and sustainable solutions, creating safe, durable, and aesthetically pleasing environments. Our commitment to excellence and customer satisfaction drives us to continually innovate and provide the best in sports and recreational infrastructure, contributing to healthier and more vibrant communities.

ARCO Flooring Systems

ARCO flooring systems, including Rubber, Synthetic and Polyurethane flooring for sports systems, is a versatile and durable option that has become increasingly popular in various settings, from gyms and playgrounds to kitchens and hospitals. Made from natural or synthetic rubber, Vinyl and PU, this type of flooring is known for its resilience, ease of maintenance, and comfort underfoot.

ARCO flooring comes in rolls, tiles, mats, and can also be installed as pour-on-site flooring, particularly favored for sports systems. This method ensures a seamless, customized fit that enhances performance and safety. Whether used indoors or outdoors, rubber flooring excels in high-impact environments where durability and safety are paramount. The material's natural elasticity provides a cushioning effect, reducing fatigue and offering excellent shock absorption.

WHAT WE DO

Transform Your Space Beautifully

Landscaping is more than just planting shrubs and setting down walkways; it's the thoughtful integration of nature and man-made elements to create an outdoor space that is both beautiful and functional. Whether you're looking to create a serene garden retreat or a lively area for entertainment, landscaping offers endless possibilities to enhance your living environment.

At its core, landscaping involves the design, planning, and management of land areas. Landscaping can include a variety of elements such as plants, trees, flowers, water features, patios, decks, and lighting.

WHAT WE DO

PLANTS & POTS

Indoor and Outdoor Plants and Pots

Create a Tranquil Living Environment

Plants have a subliminal effect which enhances our sense of vitality and improves the state of mind. Plants create a positive outlook on life and boost our feelings. Therefore making people feel more alive and active. And this works well both in the home and workplace by stimulating our minds and give us clarity and creativity. In the hustle and bustle of modern life, the concept of bringing nature indoors has gained immense popularity. Houseplants, once considered mere decorations, are now celebrated for their multifaceted benefits that extend beyond aesthetics. From purifying the air we breathe to boosting our mood and productivity, the presence of plants in our homes offers a plethora of advantages that contribute to our overall well-being.
